

# Inclusive Sport in Bristol

Session Directory  
November 2024

**Ignite**  
BRISTOL  
Active. Inclusive. Together.

## About this Directory:

In here there's lots of wonderful activities and clubs for you to get involved in – hopefully, something for everyone! You don't have to have a diagnosis to attend, and it doesn't matter what your postcode is.

Sessions listed are at the request of the club. Whilst everyone in here has a passion for inclusion, checks and assurances haven't been made by Ignite Bristol; you should always enquire to ensure the suitability of opportunities.

### Session details can change!

Always get in touch with the club before attending and discuss your needs to ensure the club is a good fit for you.

# Nova Sports & Coaching

Nova Sports and Coaching are a not-for-profit organisation who deliver high-quality, inclusive sport to people with disabilities in Bristol, Bath, and Somerset.

They achieve this by running sports sessions in mainstream and special schools, offer holiday activities, and create disability-specific sports clubs in the community.

Sports they offer include wheelchair basketball, boccia, hydrotherapy, frame running and powerchair football. Staff are also qualified in rugby, football, athletics, basketball, tennis, cricket and more.

Some of the Sports Clubs they help run include:

- **Bath Romans Wheelchair Basketball Club** - for young people and adults
- **UWE Pirates Wheelchair Basketball Club** - for young people and adults
- **Frome Falcons Powerchair Football Club** - for young people and adults
- **SuperNova Multisports Club** - for young people
- **Bath, Frome and Radstock Otters Hydro Clubs** - for young people
- **Bath Inclusive Football Club** - for young people
- **Bath Pythons Super 1s Cricket Club** - for young people

For a full list of their regular sports clubs please see their website:  
<https://www.novasportsandcoaching.co.uk/>

All coaches are SEN specialists with a huge amount of experience. Specialist equipment like wheelchairs and frames are provided to participants and no experience of any sport is necessary to attend. No 1-to-1 care or assistance can be provided. Many clubs are also open to neurotypical and non-disabled siblings.
